NBHS OBA - WebMaster Report 2021

Dear Members

The NBHS OBA website has been maintained throughout the past 12 months.

I continue to receive new and updated material from mainly Dick Sanders and Peter Scaife but also other Old Boys and their families.

Thanks to Dick and Peter for their assistance and patience.

I endeavour to update Dick when changes are made to the website, be they additions or modifications.

My emphasis is always to provide the easiest access to photos and files.

Refinements are continually made to the website to create an historic source of data and memorabilia.

To continue refining the Website to add PHOTOS, ARTICLES, SOUND and VIDEO FILES and to facilitate navigation.

OPERATIONS MANUAL

Further information regarding the NBHS OBA Website can be found on the WEBMASTER OPERATIONS MANUAL which can be downloaded from the COMMITTEE LOGIN section or I can email it to you.

FACEBOOK

Articles which are deemed to be of interest are placed on the NBHS Old Boys Facebook page.

Whilst I am not a great user of Facebook, I am maintaining a presence as a promotion for our OBA and also a place for Old Boys to communicate.

There are currently 327 "Friends" on the Facebook site.

I'd be more than happy if another Committee Member would be interested in further developing this site.

I commend the Website to you and invite you to spend a few hours pouring over the PHOTOS, ARTICLES and INFORMATION from within the Website.
