We hold an **annual re-union** each September and our **Annual General Meeting** is held in October.

All ex-students are welcome.

Invitations to the reunion are sent by post and/or email, about June/July each year to those who are financial.

All Ex-students are welcome.

Please contact your school friends and book seats to be together for this reunion.

Each year, we have "special" years celebrating special anniversaries since they left NGHS.

These groups would be pleased to have as many of their year with them at the re-union luncheon and at extra events they will individually organize, following the main Ex-Student's luncheon. This is a 'ticketed' event and booking is essential.
