

**McKINNON, Heather and POOLE, Dawn – candid photo**

Both ladies started at NGHS in 1954.

Sue McConnell nee Campbell has made the following comments about this photo:

*I took this photo - they decided they wanted to "muck up " their uniform.  
It is Heather Dunn / McKinnon and Dawn Poole - I may have Dawn's married name  
somewhere. Dawn had red hair and her hobby was marching girls. She was in our class and left after  
3rd year and I believe went to Queensland. She came to our 25th reunion but no others.*
