THE SCHOOL SONG

To us the School holds out the torch,
Of learning keen and clear;
She lights the golden way that leads
To where achievement crowns the deeds
Of industry sincere.
In knowledge she would make us strong,
To her we dedicate our song. (Repeat once.)

In fields of sport she trains us well,
To play with might and main
To set the team above renown
To win ourselves a better crown
True fellowship to gain.
In service she would make us strong,
To her we dedicate our song. (Repeat once.)

With courtesy, and kindness
She paves the path we tread;
And in our hearts her light will shine
With understanding's grace divine
When days of youth have fled.
In wisdom she would make us strong,
To her we dedicate our song. (Repeat once.)
